CITYSCAPE

Piazza San Marco

The heart of Venice. Surrounded by arched arcades and unique monumental buildings, this is truly one of the world's most beautiful squares.

Watercolour • R. BODIN

Step 1: The church

Step 2: The background

Step 3: Reflections in the foreground

Step 4: A daring move!

Step 5: The arched arcades, a less important building

Step 6: Finalizing

Connecting the last part of the painting with diagonal strokes

Piazza San Marco (flooded with water) 2010

An approach with Green, Raw Umber and Blue.
A watercolour sketch on the edge of abstraction.

watercolour 70cm x 50cm (27.6 inches x 19.7 inches) on Bockingford

Watercolour • R. BOIDIN

An approach with Yellow, Blue and Payne's gray
A painting using an expansive colour and a vibrant graphic solution
watercolour 70cm x 100cm (27.6 inches x 39.4 inches) on Zerkall
